EMB R8 donates 29M worth of equipment to LGUs for enhanced waste processing

The Environmental Management Bureau (EMB) 8, headed by Regional Director Martin Jose V. Despi, strengthens its efforts to provide assistance to local government units (LGUs) in augmenting the waste diversion activities in Region 8. On 31 August 2022, EMB R8 inked the Memoranda of Agreement

(MOA) and Deeds of Donation (DOD) with 29 LGUs that were granted each a set of equipment comprising of brand new composter, shredder for biodegradable wastes, and 4G solar-powered CCTV camera.

The equipment sets shall help enhance the operation of the LGUs' Materials Recovery Facilities (MRFs), make their composting activities more efficient and productive, provide potential livelihood on organic compost production, and make monitoring of the MRF operations easier.

“We hope that you do your part in ensuring that these equipment are operationalized properly and regularly maintained. Make this assistance an opportunity to improve your compliance to RA 9003 thereby making your respective municipalities cleaner and safer to live in.” Engr. Ma.

Corazon G. Dacuyan, Chief of the Finance and Administrative Division of EMB R8 said in her speech.

The 29 recipient LGUs are Caibiran and Kawayan in the province of Biliran; Calubian, Hindang, Inopacan, Julita, La Paz, and Tunga in the province of Leyte; Hinundayan in Southern Leyte; Marabut, Pagsanghan, San Jorge, Tarangnan, and Zumarraga in Samar; Arteche, Canavid, Dolores, Maslog, Maydolong, Sulat, and Taft in Eastern Samar; Bobon, Capul, Gamay, Lapinig, Lope de Vega, Mapanas, Silvino Lobos, and Victoria in Northern Samar.
