Region 8 nominee lands as a finalist for EMB's Youth Icon in Climate Action 2022

Eastern Visayas has made it to the final round in this year's search for the Youth Icon in Climate Action, as Mr. Aaron N. Ocaña of UP Halcyon received recognition from the Environmental Management Bureau (EMB) and National Youth Commission (NYC) for his projects, "Hukad han Binhi, Uswag han Damlag," and "Tanom Mo, Bulig Mo," during the Luntiang Puso Environmental Fair on November 29, 2022, at Quezon City.

The EMB Youth Icon in Climate Action Award honors exceptional young leaders for their passion to environmental protection and their sustainable efforts to address environmental challenges.
